

AFC Waverton – Abbey Gate College

Pitch Address: Saughton Grange, Saughton Lane, Saughton CH3 6EN.

Directions: Continue along A41 past where you would normally take a left to Waverton. Take the first road on the right signposted to Saughton.

You will go along the road, through Saughton Village and as you head down the hill, you will see a parking layby on the right-hand side.

Turn left opposite the parking area into the school entrance and follow the driveway round and to the right.

Parking: There is car parking by the Sports Hall, some by the side of the Astro and a further overflow car park to the right. All AFCW related coaches, players and spectators must park in the overflow car park and walk down to the grass pitch behind the Astro pitch. If the Car Parks are all full then please go back to the entrance and park in the parking area opposite.

Pitches: There is an Astro Pitch together with 3 marked out grass pitches to the rear.

Facilities: A toilet may be available within the pavilion building for AFCW and Opposition players. Spectators are not to use any indoor facilities. Changing rooms are not available. **Please ensure all players using the toilets sanitise their hands before and after use.**

Spectators: Given the current social distancing requirements, each player is to be accompanied by a maximum of one adult spectator each and siblings only if no alternative childcare is available.

Spectators are encouraged to watch from their cars where possible and if not, must follow Government Guidelines for social distancing and not congregate in groups of more than 6. We appreciate that everyone wants to watch the match but just want to keep the fixtures going for as long as possible.

First Aid: All AFC Waverton Coaches have a basic first aid kit that can be accessed in the event of a need.

There is a defibrillator inside the Pavillion building. Go through the door to the toilets and it is on the wall on the left-hand side.

Access for ambulances is the main entrance and down to the car park so someone should be stationed on Saughton Lane if an ambulance is expected to ensure clear access.

Nearest Hospital: Countess of Chester – CH2 1UL Please ring 999 for urgent medical attention or 111 for NHS direct.

Contract Tracing: Each club's coaches are responsible for keeping an accurate record of those present from their team/club at matches.

The Abbeygate College QR code is displayed on the Pavillion building. AFC Waverton coaches will also have a unique QR code for this location for use with the NHS Test and Trace App.
